**“Pride in the Paw”**

## **Statement**

The mission of St. Peter School is to provide quality faith centered education that encourages love of God, love of self, love of neighbor, and love of learning.

### **St. Peter Athletics Mission Statement**

The goal of the St. Peter Athletic Committee is the efficient and effective coordination of the St. Peter Athletic Program in conjunction with the Christian philosophy of St. Peter School.

## **St. Peter Athletics Philosophy**

In addition, to the principles of St. Peter School's Mission Statement, the Athletic committee includes the following elements in its philosophy:

### **The Principle of Good Sportsmanship**

Winning is an objective, but the primary goal is to play the game well. This principle includes: conduct of the athlete on the athletic field of play, respect for opponents and game officials, and adherence to the rules of the game.

### **The Principle of Team Play**

The honorable conduct of an athlete brings esteem to St. Peter and to the athlete's teammates. Good conduct especially includes the way the athlete receives the judgments of officials. First and foremost, the athlete is courteous and respectful. Team leadership, fair play, and humility are paramount virtues to be built into the character of the athlete. Each St. Peter athlete plays as part of a team. Personal gain and glory are sacrificed for the sake of the team.

### **The Principle of Leadership**

Athletic leadership is both a gift and a skill. Athletes develop their leadership skills through practice and through observing the example of their coaches. Coaches, the primary demonstrators of good leadership, display the qualities of respect, maturity, and good sportsmanship when dealing with players, other coaches, and game officials. Coaches, whose fundamental role is that of teacher, are depended upon to help form the athletes in character, leadership, personal drive to achieve, and skill development. Athletes are thus encouraged and instructed to assume the role of leader in their contact with other students and teammates through personally setting the example for good sportsmanship and strong moral values.

### **The Principles of Discipline**

Athletic training should concentrate primarily on the fundamentals of a sport. Coaches should not engage in tactics that exceed the ability of the athlete and depend upon luck for successful execution.

- Athletes should learn the value of discipline in the exercise of fundamental skills so that they can execute in a predictable and appropriate manner.
- The discipline learned on the athletic field of play should carry over into other aspects of an athlete's life. This witness to the student body is reflected in the symbols of the athlete's dress on days when teams compete. On these days athletes are asked to dress in a manner which reflects the athletes' self-discipline, team spirit, and confidence. Distinctive dress, whether it is in the form of special shirts, shirt and tie, or dress, is appropriate and encouraged.
- Our students' faith life also plays a significant part in the athletic environment. This can be expressed through shared prayer before and after games. All coaches are encouraged to promote the faith development of athletes, through the appropriate use of liturgy, sacred symbols, and prayer.

## Guidelines

These guidelines apply to all participants in all athletic activities. In all cases, Fox Valley Conference and athletic program rules will govern the competitive activities.

## Sports Physical

A yearly sports physical or other verification of fitness is required before a student may participate in the St. Peter sports program.

## Participation

- Membership in the sports program is voluntary and should never be used as an excuse for not having homework completed on time, or as an excuse for missing school.
- The decision regarding membership on a sports team is the responsibility of the parent/guardian.
- Athlete eligibility is governed by St. Peter School. The Athletic Director(s) and/or Athletic Committee will uphold and enforce the decisions made by the school regarding academic or disciplinary ineligibilities. Please refer to the School handbook for specific policy details.
- All athletes must turn in a signed permission slip containing the signature of the parent(s)/guardian for each sport in addition to a \$25.00 athletic fee before they will be able to participate in any scheduled practices or games. Economics will not exclude any athlete from participating in a sport. Please contact the Athletic Director(s) if there are circumstances which would affect an athletic payment.
- Absence from school, except in the extenuating circumstances brought to the attention of the Athletic Director(s), will pre-suppose absence from practice or game on that particular day.
- Absence from all games and/or practices, tardiness, or early departure, will only be allowed with 24-hour notice with written or personally given excuse to the coach by a parent/guardian. Extenuating circumstances will be considered. No more than 3 such incidents will be tolerated. For any excessive occurrences without notice, the following penalties may include, but will not be limited to, the following:
  1. **FIRST OFFENSE** – Written warning given by the coach(s) with written notification sent to the Athletic Director(s) and School Board Liaison.
  2. **SECOND OFFENSE** – Suspension from the team for the next scheduled game/contest after approval of written notification from coach(s) by the St. Peter Athletic Director(s) and School Board Liaison.
  3. **THIRD OFFENSE** – Suspension from the team for the next two scheduled games/contests. Suspension will be reported to the principal and parent/guardian.

**Note:** Written Notification Form must be completed by coach(s) after the third incident of absences, tardiness, or early departure with/without 24 hour notification from parent/guardian. (See attachment A).

- All team's participants who have fulfilled team requirements will play in each and every game as stated in the Fox Valley Conference by-laws. The FVCC requires that all team participants who are listed in the official scorebook must enter and play in the game/contest prior to its ending. The penalty to a team for failing to play a listed member is forfeit of that game/contest.
- Transportation and Supervision: Team participants stay with their coach(s) until after their game is played. After that game, they must go with the parents/guardian or designated adult. They must not run loose in the gym or lobby, or parking lot. No team member will be allowed to walk home unsupervised without prior notification to the coach(s) from the parent/guardian.

Game Dress Code: All participants in the St. Peter Athletic Program will be representing the school at home and at away games. Therefore, neat, clean clothes should be worn.

### **Athletic Department Regulations**

Participation in athletics, as in any co-curricular activity, is a privilege and not a right. Any student-athlete who wishes to be a member of an athletic team must live up to the spirit and the letter of regulations and training rules. These rules are designed to help participants improve in the Christian principles of self-discipline, self-denial, working well with others (including coaches and fellow student athletes), and sincere dedication to the improvements of self and of the team.

Any athlete may be dismissed from a team for reasons contrary to the spirit of the athletic competition at St. Peter. Such reasons are failure to obey training rules, continued failure to try, attitude and conduct detrimental to the welfare of the team, insubordination, etc. Any athlete who places his/her health or team discipline in jeopardy by failing to observe team training rules is subject to suspension or dismissal from the squad.

### **Specific Rules and Regulations**

- Athletes are expected to understand and follow these general competition behavior guidelines:
  - Questioning the officials is reserved for the coaches
  - Do not acknowledge or talk with spectators at games or practices
  - If you are removed from a game for unsportsmanlike conduct by a coach, official, or both, you will not be allowed to play in the next game
  - Treat opponents and opposing coaches as well as bench personnel with respect and dignity
- Athletes who are unhappy with the amount of their own playing time or their role on their team should request to have a private meeting with their coach. In private discussion, both coaches and athletes can honestly express their feelings and goals. Any open display of unhappiness in the athletic arenas or in the locker room will not be tolerated. Athletes should try to understand that everyone is participating with the same goal in mind: To give St. Peter its most competitive team possible.
- Parents are allowed to contact the Player Liaison about any concern they have except the issue of playing time. Decisions concerning playing time are left to the coach. Parents who have concerns about playing time must defer to the previously stated policy. All matters of playing time should be worked out between the coach and the athlete.

- All sanctions and punishments are completely at the coach's discretion with the approval of the Athletic Director(s).

**We believe that the preceding rules have a significant role to play in building a successful sports program. They are fair and consistent and will be applied across the board. If you are in violation of a rule you will be held accountable. Be responsible for your actions, and accountable for what you do.**

- They gymnasium, locker rooms, and front lobby are the only areas available to all participants. Participants are not allowed anywhere else in the school building or outside the building.
- Uniforms: All participants are responsible for the uniform issued to them. A \$75.00 deposit uniform/workers fee must be collected from each athlete prior to the athlete receiving a uniform for each sport. Agreement to recognize non-agenda topics will be determined by consensus, voice or secret ballot vote, at the discretion of the committee members. Minutes will be read and old business discussed before new business is introduced.

### **Coaches**

- Must be VIRTUS trained.
- Any person interested in volunteering to coach a team should contact the Athletic Director(s). If more than one person wishes to coach the same team, the Athletic Director(s) will interview each interested person. The Athletic Director(s) will make a decision as to who will be named to the coaching position after interviewing all interested parties.
- Each team will have one Head coach and possibly at least one Assistant coach.
- A meeting prior to the sports season will be held between applicable coaches and Athletic Director(s) to ensure that all rules/policies are understood and enforced. At the initial meeting, coaches will be given a copy of the Fox Valley Conference rules and St. Peter athletic policies.
- Coaches have the option of continuing on with the same team to the next level with the approval of the Athletic Directors(s). Should an 8th grade coach of one year wish to become a 6th grade coach the next, he/she shall have that option, unless there is another interested person, in which case the interview process described previously will take place.
- The coach(s) may, at his/her discretion, allow food to be eaten in a designated area of the gym before and after school practice.

Coaches will play athletes according to his/her skill level. As a player's skill level improves, he/she should expect to see more playing time. Conference rules require all players have to play in a game or match, or a team will be penalized

- Coaches should review individually with an athlete his/her strengths and weaknesses and what he/she need to improve on. The athlete should be given suggestions on how to improve in these areas.
- Each coach(s) will be issued sporting equipment needed for their sport. Any lost or damaged equipment will be replaced by the coach(s).

- They will expect punctuality for all their sport related activities and will excuse you from an event only if they are informed in advance that you will miss or be late.

### **Team Rules**

- St. Peter School sports will take priority over any non-school organized sport. If participants have prior commitments, these must be brought to the coach's attention prior to the sports season to determine conflicts which could affect playing time.
- All Team members are to be at the game at least thirty (30) minutes prior to game time (at coach's discretion).

### **What is Expected of a Player**

- Realize that individual recognition and accomplishment are the result of teamwork. Always support and encourage your teammates in both wins and losses.
- That proper behavior and respect towards others will reflect positively on the team, and on the St. Peter Community. A Positive reflection is the only desirable one for your team.

- That you will understand that practice is the most important part of the season. Effective practice requires the concentration of the whole team at all times. Players that practice hard and with intensity are the players who are winners every time.
- That you accept and respect the decisions of your coaches to be in the best interest of the team and St. Peter. Discuss problems with your coach in private.

### **Boys and Girls Basketball (6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>)**

  2. When it is necessary to bring up participants from a lower grade level, all members of the lower level team are to be consulted, regarding their interest in playing on the higher team. The coaches of the higher and lower grade team and at least one Athletic Director will make their choice(s) after consideration of ALL those lower grade level members/players who expressed an interest. The Coaches and Athletic Director will have the option to hold a try out to determine which players will have the opportunity to play with the higher-grade level team.
- In tournament play, the coach(s) is allowed to use his/her discretion regarding the amount of playing time for each team member.

### **Boys and Girls Volleyball (6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>)**

- All boys and girls interested in playing volleyball will be allowed to play on the school team at their own grade level, when a team is fielded at that level.

  1. In the event there are not enough participants to field a full squad from the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grades, girls or boys from grades 3 – 5 will be allowed to participate to form a full squad.
  2. The placement of participants on squad teams will be determined by grade level or at the discretion of the coach(s) based on skill level and experience.

- In the case of a scheduling conflict between St. Peter teams (i.e cheerleading and volleyball or basketball), the coach(s) of both teams will determine which event shall take priority.

#### **Track**

- All interested boys and girls from the 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grades will be able to participate in the individual and team event, providing they accept and follow the general guidelines listed herein.

#### **5<sup>th</sup> Grade Sports Program (Basketball and Volleyball)**

- This program is to provide instructional skills for the sports a student wishes to participate in. At this level, any and all games that these student athletes participate in will be played under equal playing time rule, meaning that each athlete must play equal amount of time for each game including tournament play.

#### **Team Size**

- If the number of student athletes for a sport (excluding track and cheerleading) is 16 students or greater, teams will be broken down into equal sizes. Example: Team A, Team B, etc. Teams will consist of athletes of equal talents which will be determined by the coach(s) and the Athletic Director(s). Scheduled games will be played alternately between the designated teams. This includes any non-conference games.
- If the need arises for a team to bring someone from the alternate team for a scheduled game, the coach(s) must consult with the Athletic Director(s) as to who will be chosen to play in that particular game. In tournament play all students will be taken to the games and the coach(s) will follow the rules under section "Boys and Girls Basketball", bullet number three.

- Public criticism of coaches is inappropriate. If a parent feels his/her son or daughter is being mistreated, the parent should contact the Player Liaison (except matters regarding playing time). If there is no resolution after speaking to the Player Liaison, the parent should meet with the Athletic Director(s).

- All parents/guardians of athletes must volunteer to work at scheduled home games/tournaments (concessions, admissions, scorebook and scoreboard) during each sport season the athlete participates in. Failure to work scheduled times will result in the loss of the \$75.00 workers/uniform deposit. Rules for Athletic workers are listed on Attachment B.

- Be a good host or guest to your opponents. Be respectful during the pre-game ceremonies and half-time activities.
